### In Both Farms and City Property.

We have recently secured for sale what we consider an exceptional opportunity for investment, in the shape of a ranch of 6,000 acres in Clark county. By referring to a map of Kansas you will see that Clark county is in the second tier of counties west of Barton, but considerably south. The ranch has been in litigation for several years, but the litigation is now settled, and the court has ordered the land sold. This land is located two and one-half miles from a station on the Rock Island, and four and one-half miles from another good little town. There are two sets of improvements; one consisting of a new five room house, work shop, good stable, milk house, well, windmill and tank, telephone in the house. The other set of improvements consists of a three room house, horse barn, cattle shed, good well and windmill and watering tanks. The ranch is fenced into five fields and pastures, with about twenty-five miles of good fencing. 4,000 acres of this ranch is good rich farming land,

the balance being rough, but all good soil, and having a heavy growth of blue-stem and buffalo grass. There is more than a mile of fine running water, from springs; 800 acres of the rich bottom corn and wheat land is in cultivation; 300 acres creek bottom land, well suited for alfalfa. 15 acres being well set and growing in alfalfa. Price of this tract is \$7.50 per acre. This is an investment that will make some one some money. We have 200 head of fine registered cattle to sell, and would like to find about ten young farmers who own their own farms to buy 20 head each of these cattle. Here is an opportunity for you to get into thoroughbred stock. We will sell them to you for cash, or on easy terms, or place them with you on shares.

**Obituary.**

John Fletcher Hess was born in Johnstown, Pa. February 16, 1830, and died at Great Bend Kansas, October 17, 1907, at 9 p. m.

While a boy his parents moved to Knox county Ohio, where on August 16, 1850, he married Sophia C. Colwill, who died Nov. 28, 1894.

He graduated in medicine at the University of Pennsylvania, and first practiced medicine at Bloomfield, Ohio, then he moved to Fredericktown, Ohio, and from this place he joined the 96th Ohio Volunteer Infantry in August, 1862, then was transferred into the regulars as a surgeon. While in charge of the emergency hospital he was captured by the Confederates, and held a prisoner at Alexandria, Ala., for three months.

He received an honorable discharge at the close of the civil war, in August, 1865 at Columbus, Ohio. He then resumed the practice of medicine at Mt. Vernon, Ohio later removing to Delaware, Ohio, where his health failing, he moved to Great Bend, Kansas, in June, 1884. He was a charter member of the Presbyterian church at that place. He leaves five brothers and a daughter to mourn his loss.

Funeral services will be held at the Presbyterian Church, Sunday afternoon, at two thirty p. m.

Miss Howard of Ellinwood visited friends in the city Saturday.

Mrs. James Tarpy was among the Pawnee Rock visitors Saturday afternoon.

Frank Mall and family were in from the south Saturday visiting and trading.

Mrs. J. W. Dawson will go from Topeka to her old home at St. Joe Mo., before returning home.

### WOMEN'S WOES.

Great Bend Women are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up" must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop over means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys [cause] more suffering than any other organs of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidney and is endorsed by people you know.

Mrs. John Malia, living at 1102 Morton St., Great Bend, Kansas, says: "My back has bothered me for years, and sometimes when I would sit down I could hardly rise again on account of the sharp throbbing pain through my kidneys. There was also a great deal of irregularity in the passages of the kidney secretions, sometimes too much and then again not enough. I tried a box of Doan's Kidney Pills, which I got from the A. & A. Drug Store, and they helped me wonderfully. My back has not been bothering me since and my kidneys act more regular. I have no hesitancy in speaking a good word in behalf of Doan's Kidney Pills."

For sale by all dealers. Price 50 cent. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doans—and take no other.

### THE DUCK HUNTERS.

County Attorney Clark Makes a Great Reputation as a Nimrod.

There is a party of Topeka business and professional men stopping at the Great Bend Sportsmen's Association club house out on the Cheyenne bottoms for the purpose of bagging a few of the wild duck for which that locality is famous all over the state. The warm weather of the past few days has temporarily stopped the migration of the birds southward, and as a consequence the shooting has not been particularly good for the past day or two. Figuring all this out in their minds, a party of the local members of the Association thought it would be no more than right to go out and pay a little visit of condolence to the visitors, and try to cheer them up a little, promising them fine sport if Jack Frost would just take hold of the weather for a day or so. Now among this crowd of missionaries was County Attorney Clark, who coming from a long line of Tennessee pioneers and woodsmen, is naturally a hunter, but without much practical experience in the game.

After getting out to the club house and chatting awhile with the visitors some of the party took their guns and started around the lake in the hope of getting a duck or two which was not looking, Mr. Clark being among the party thus engaged. Now the Association has a very estimable gentleman and his family living at the club house as caretakers and to furnish good meals to the weary hunters, and they have, or rather had, a very fine flock of good big tame ducks who naturally lived a good deal on or about the lake. Jim sighted ducks, and without a word to the rest of the bunch, he takes a sneak and gets right up good and close, and then opened fire. The last report of the engagement that was brought back from the front is that Jim killed nine of those tame ducks before any of the boys could stop him and tell him what he was doing.

### Odell Moyer.

At the home of Mr. William Fuger, Great Bend on October 13th, Mr. Elmer F. Odell and Miss Sussie Moyer were united in holy wedlock by the Rev. John Melmaker before a very select company. The arrangements were very tastefully made by Mrs. Fuger in accordance with her usual good taste. These young people will make their home in Great Bend where they are known and respected.

D. J. Lewis was here from Hoisington Friday evening. Mr. and Mrs. Geo. Duncan of Hoisington visited home folks Saturday.

### Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments. Dr. Pierce may be consulted by letter free of charge. Address Dr. B. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

### W. C. Stanley Injured.

Wednesday afternoon, shortly before 5 o'clock, W. C. Stanley, of Great Bend, Kansas, was quite badly hurt at the south east corner of the square by a horse falling on him. Mr. Stanley is a horse buyer, and was driving some horses to the depot. The horses started across the court house yard, and Mr. Stanley rode rapidly to the south east corner of the square, and as his horse made the turn it fell. One of Mr. Stanley's limbs was caught under the horse, and his left limb was broken above the ankle. He was carried into the Creel-Lewis grocery store where Dr. Austin reduced the fracture. He was then taken to the Florence Hotel where he remained until this evening, when he left for his home—Carrollton, Mo., Daily Democrat.

Mr. Stanley arrived in this city Friday morning, and was taken to the office of Dr. Mead where he was given attention and then taken to his home east of the city. Mr. Stanley will probably be confined to the house for some time, as an injury of that kind requires considerable time to heal.

### Revival in Great Bend.

The time for the revival in Great Bend draws near. November 10th will soon be here. The short space of time between now and then should be spent by Christian people and those who want to be Christians in a manner befitting for the occasion. We are entering upon important days. We are treading upon holy ground. Conscious of the fearful responsibilities upon us, we should walk softly before our Maker, inquiring of Him, Lord what wilt thou have me to do and learning the Divine will our motto should be, "Thy will, not mine, be done."

Friday, November 1st, has been appointed as a day of fasting and prayer for the meeting.

Only three more Sundays and three more prayer meeting nights until the meeting begins.

R. L. Selle, pastor, First M. E. Church.

### A Surprise Party.

A very enjoyable time was had at the home of Mr. and Mrs. C. D. Thompson on Friday evening, the occasion being the fourteenth birthday of their daughter, Gussie.

Miss Gussie had been invited to spend the afternoon with Miss Dora Meyers and when she returned about seven thirty, her Sunday school class, which had met at the home of Mr. E. C. Bill, had arrived. When the door was opened, Miss Gussie was greeted from a darkened room by about twenty girls. To say she was surprised would be putting it mildly. She received several beautiful and useful presents. The evening was spent in games and music and about ten thirty the guests departed, wishing Miss Gussie many, more such happy birthdays.

Mrs. Ed. Doherty of Ellinwood visited in the city Friday.

They have a dog down at the Merritt Creamery Co., that knows how to ring the phone but does not know how to put up the receiver. He made so much noise the other night that the fire company was called out.
